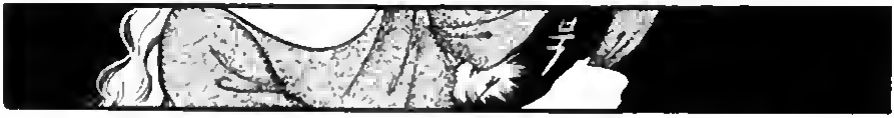
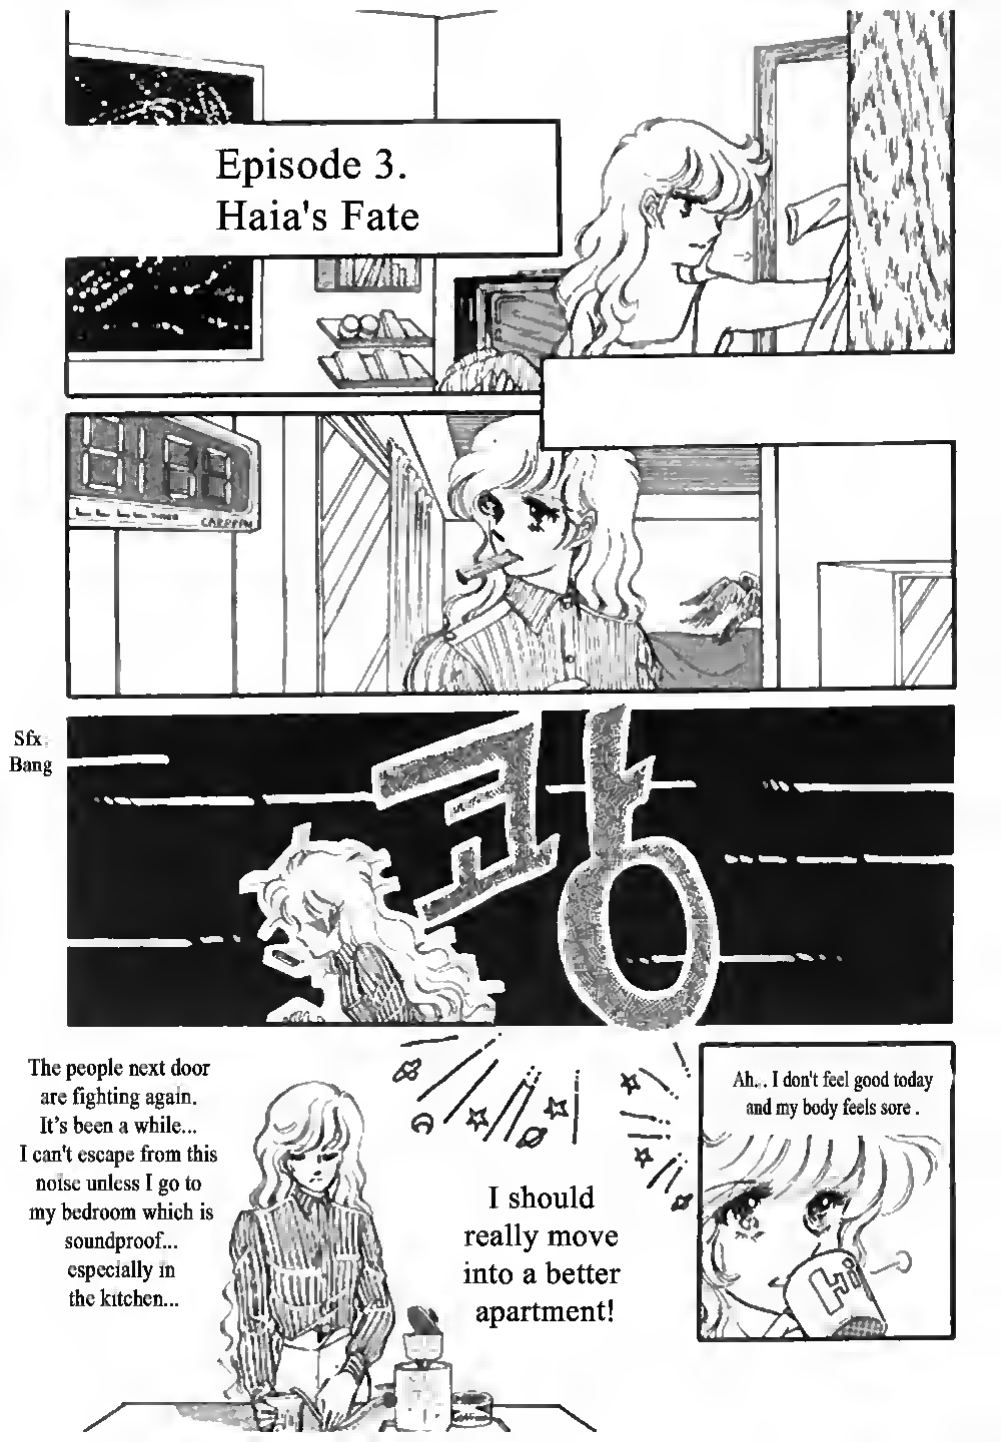
T/N: The manhwa on the screen is the author's other work, In the Starlight.

This show is no fun.
They're only showing shows like this in the morning...
The main character who faces tragedy after tragedy...



Sfx: Tear

Tragedy...



Episode 3.
Haia's Fate
Sfx:
Bang
The people next door are fighting again. It's been a while... I can't escape from this noise unless I go to my bedroom which is soundproof... especially in the kitchen...
I should really move into a better apartment!
Ah.. I don't feel good today and my body feels sore .

I want to rest for today...
But I don't have any pains in a specific area, so I can't rest...
Mhm... I think my stomach's hurting There's a slight pain
But they won't let me rest with just this.
Monster chief
Monster
Ah~ Let's stop it, stop it!
Sfx: Slide
Sfx: Bang
Ah... today's been really strange...
I don't think today's a good day.

What is it, Haia? You look down.
Don't ask me...
Fit for Drink
Coca-Cola
Orange
CAN BUTTS
I'm sorry, Haia!
What happened?
There was a car accident. I stepped on the brake a little late.
Is today the day where I have something like, my worst bio rhythm ever?
You should go to the computer room and print it out
You shouldn't do that, Haia
Coffee
Thank You
What?

Even if we are civilized enough that we can analyse every life and living style of other people
You can't predict what's going to happen in the future. It's like this accident.
Okay, Prophet Dake. I'll listen to your destiny theory tomorrow
He-! A promise like that is no use in a world where you don't know what is going to happen tomorrow!
That's why I'm not listening!
Stop doing that and listen, Hata
You don't know how boring this world is if you live in this world and know everything about it
The wonder you feel when you face something in the true world that you didn't know before! Pleasure!
That refreshing feeling!
When you are faced with the reality, even though it's painful, it's not a bitter pain!
The car accident...?
Then you have to feel like that when you're faced with the bitter truth?

The truth is hidden in a tragic destiny!
So we must all have tragedy in our lives!
Ah
What did he write on his private opinion part on his police application...
Dake is always making up different religions He'll change it again tomorrow.
Right. Life is like that.
...But he is right in some ways...
What?
Yes, people always want to see the future. Bio rhythm and computer fortune...
They want to know the future and what happiness is promised to them
If they knew the future would lead them to happiness for sure, people will say that they can withstand any pain.
Isn't it hard because they don't know about the future?

To be patient because they don't know the future and to be patient because they know about the future... I think most people are patient because they don't know about the future In a normal life...
So isn't that why people are always worried- because they aren't patient ..?
There's something good about it, too. You can be honest to yourself...
That's right.
But how long can you stay patient if you have a horrible future?
Like today
Really horrible futures only seems like something out of a movie...
But to make it more like destiny...
Haha, rather than talking about this, about the upcoming weekend...
Okay!
I will take everything bad happening to me and be patient about it!
I don't care how bad it is- today is the day I'll change my destiny!

Nobody can stop her with how simple she is...
But why does my simple date plan never work?
Line Kilt-
Hello? I'm Say Zuri from the search unit
Do you have time this evening?
Ah-! You're cold.
Even if you're passionate about Haia Lian, this is too much!
You should consider other people's feelings too!
It depends on what you want.
Ah...

Sfx: Smile
If you're sorry, have dinner with me.
ニコッ!
...This isn't good...
I was going to ask Haia to have dinner with me today...
Ah-! Okay! Fine!!
Hey, Line! Haia wanted you to leave first.
She's going to be a little late!

She told me that she was going to the toilet. What do you mean! Where is she?
In the cleaning room
I am really sorry. I don't know why that old water tank broke down at that moment...
I was just about to change it into a new one...
...It's destiny...
Ha?
What a serious picture.
Hana! I heard that the water tank broke down! Are you hurt?
Knock on the door if it's not an automatic door!

Sfx: Scary
...Line Kilt, what are you doing here...?
Isn't it time for you to patrol the road...?
Monster chief.
Ah... yes... You see...
...Where is Hain?
She's inside here. The water tank broke down...
You guys must want to work on traffic duty for a long~ time.
Ah-...
Damn it, what's going to happen now?
JUNE 1ST • LANE 1ST
You're giving up easily
Sfx: Woosh

I'll check the video here.
Okay. I'll take care of B2.
Sfx: Beep beep
Good Labithem, the time is now 13:28. No special activity
Changed the video tape. Check in roger
Nothings happened in this area so far, so why they are putting cameras in this place. There are lots of areas where more crimes are happening...
This is a waste of the budget..
1ST LANE
...
Haia, I'm finished...
Ah...

Those damn bastards! How dare they steal a police's high fly? And we were changing the video tape, so nothing was recorded.
I have to write an apology for two weeks! Ugh~!

9a.m. - 9 p.m
Lost and found centre
A robbery takes place in an area where it usually never happens, and I have to write an apology for two weeks
And I have to serve one more month of traffic duty. I even dragged you with me, Lane...
Actually... is this what it meant by 'destiny drags people in with you together'?
On a large scale.
I don't mind it at all even if I'm sharing your destiny.
You don't have a sense of identity.
My meaning wasn't conveyed well.
Ah, I really don't feel good. I want today's work to be over!
I'm not confident that I'll make it through this day.

Then Haia, dinner...
Ah! Haia- you put on way too much mustard...!
One more cup!
...
It was too late...
헉...
Are you okay?
My stomach hurts.. The sides of my body hurt...

Sfx: Pant

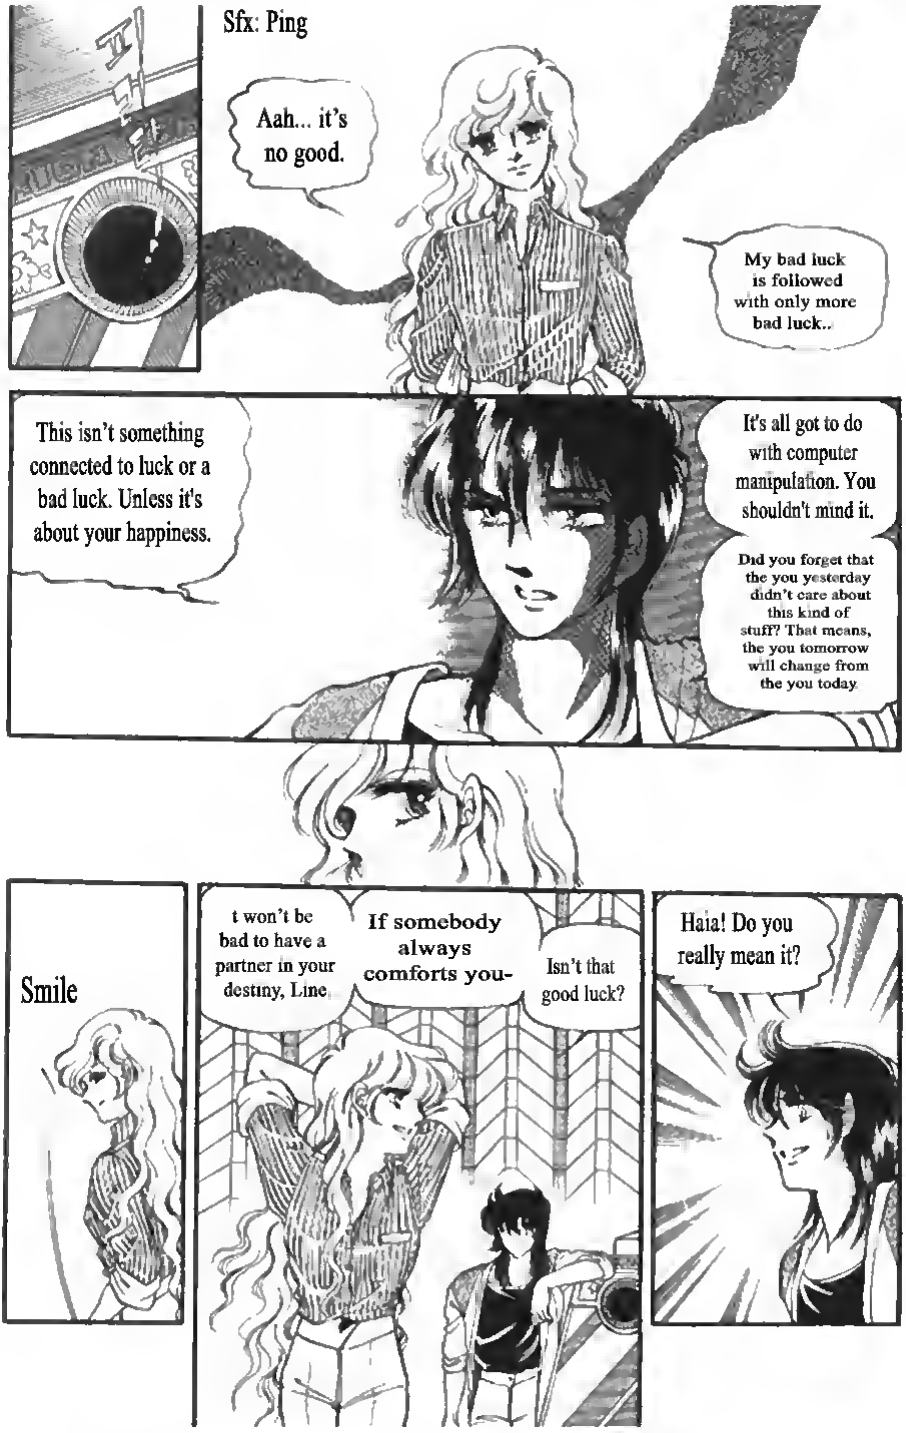
Of course, You ate so much mustard--
Let's go to the medical centre.
No-! I'm going to bear with it. If I bear with it for one day, I won't die from it.
But...
This is strange! How can so many bad tbings bappen like this happen to me so much!
Did Dake the prophet really put some kind of spell on me?
You're really at your wits end, Haia!
You're blaming people who didn't do anything

What game is this? It might come out in 2025.

Sfx. Pyong Pyong
I usually win once every three times. It's the 'Treasure Lion Game' with 6 buttons.
I won three times and won the lion doll.
Haia, something like this depends of your condition
No matter how good of a condition you're in, you're always same with your gun firing practise

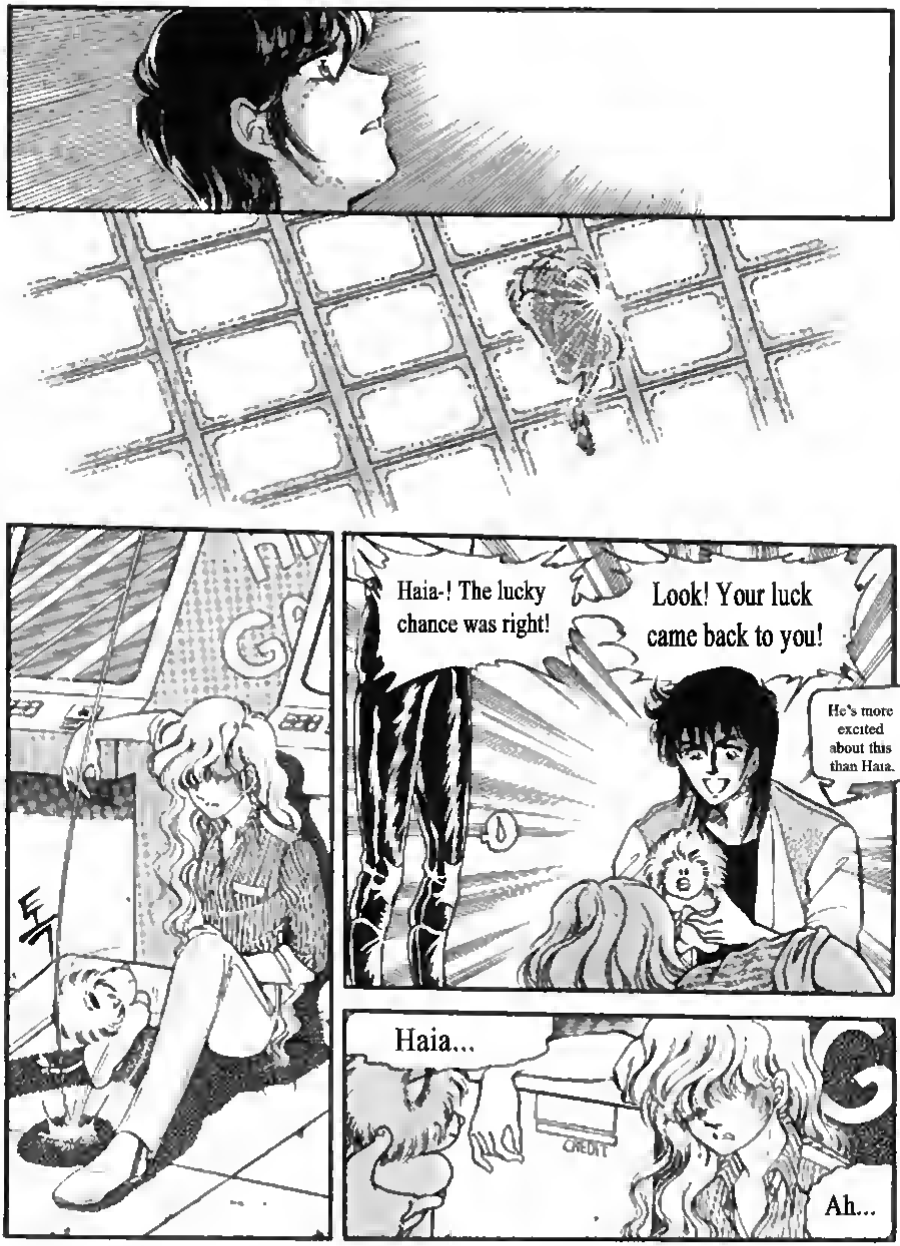
Sfx: Ping
Ping

Right... I can't enjoy myself while playing this game.
I can't play games when I'm concentrating on something else.
I thought about this... If I had a bad day today.
Does this really mean it's just going to be today...? Is tomorrow really going to be different from today...
I promise you... Tomorrow will be your lucky day.
Even if it's not, we can make it your lucky day.
...I'm not suspicious like this usually, most of the time I'm optimistic...
But the fact that I don't know what's going to happen to me... I feel like I touched something bad.
Let's go... Your life will be saved if you go home quietly and stay there for today.
...Yeah...
...Yeah... But it's my lucky chance. Let me press the button just one more time.
If the things I've been doing are connected to the point with this lucky chance, then the lion doll will pop out.
She's stubborn.



Sfx: Ping
Aah... it's no good.
My bad luck is followed with only more bad luck..
This isn't something connected to luck or a bad luck. Unless it's about your happiness.
It's all got to do with computer manipulation. You shouldn't mind it.
Did you forget that the you yesterday didn't care about this kind of stuff? That means, the you tomorrow will change from the you today.
Smile
t won't be bad to have a partner in your destiny, Line.
If somebody always comforts you-
Isn't that good luck?
Haia! Do you really mean it?

Hit
BAZOOKA
Sfx: Bang
Ah...!
Haia-!
I... I'm sorry. I was firing a gun...
What... what if she dies. I... I'm not responsible...
What? Who is this guy!
LUCKY CHANCE
GAME
Sfx: Ping
Sfx: Pong



Haia-! The lucky chance was right!
Look! Your luck came back to you!
He's more excited about this than Haia.
Haia...
CREDIT
Ah...

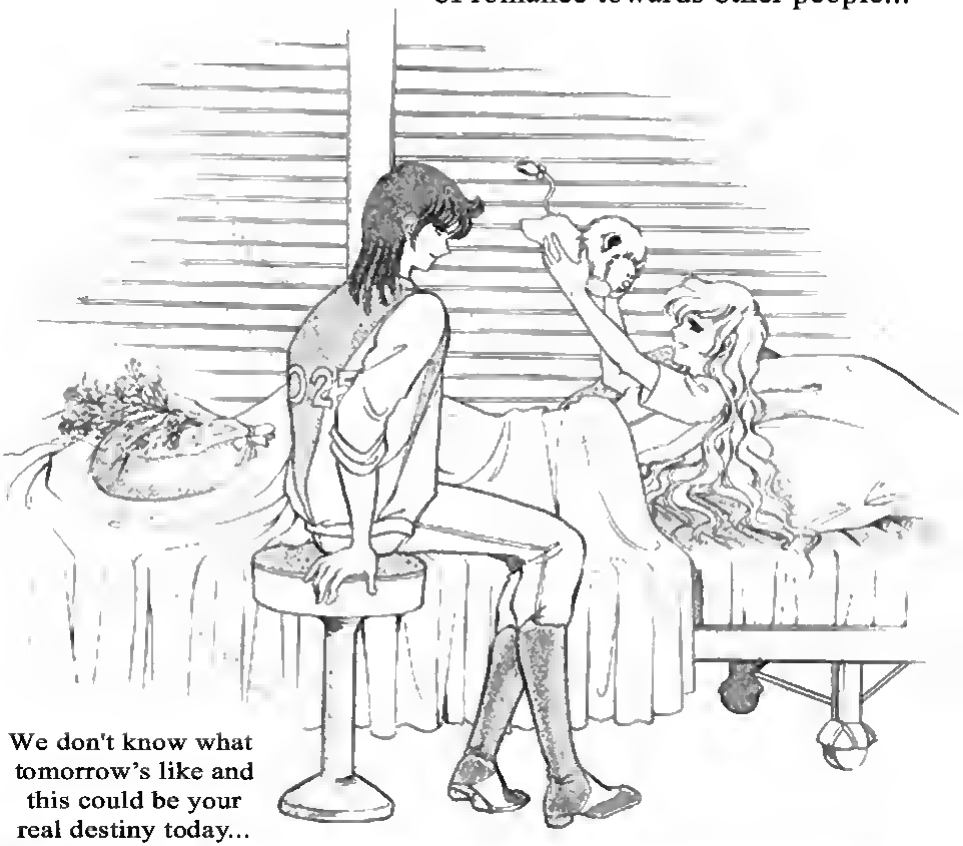
Sfx: Drop

My stomach...
2025
Appen-dicitis?
Yes, she must have felt stomach pain... She must have thought she just had an upset stomach
it would have been better if she went to the doctor earlier
Dr. Key
Well, I think she's a strong lady so there's nothing to worry about
Ha...
I thought that it was because of the mustard
She's really strong

Sfx Knock knock
Come in-.
Are you okay?
I'm fine ... I feel totally okay.
I think my bad luck has been cut away with the appendix.
And your good luck came back.

Year 2025... Your normal life is passing by without any specific good luck or bad luck...

People see the destiny of the main character in a TV drama and feel the materials and destiny of romance towards other people...



We don't know what tomorrow's like and this could be your real destiny today...
